Registration Deadline: September 15th, 2024.

I will be attending as a () Voting delegate () Non-voting delegate

New Requirement for 2024

At the annual meeting we share Society Reports. The reports are read aloud by a delegate from the club in attendance. The intent of the report is to highlight the events and activities that the individual clubs host throughout the year. Starting 2024, SHA requests that all Societies remit their report prior to the annual meeting. Please remit a report to SHA regardless of whether you are sending delegates to attend the meeting or not. This is also requested for the president, board and committee reports. Please email in PDF or Word Document format. Reports can be sent to SHA Secretary, Joan Sommerfeld. Email address: admin@skhorticultural.com

SHA requests reports be remitted by **September 15th, 2024**. Thank you.

Reminder: Societies in attendance are asked to donate items to the Silent Auction.
Items may be donated by Clubs or Individuals.
