Who are voting delegates?

According to SHA Bylaws: 5.2.1 Each affiliated Horticultural Society shall be entitled to one voting delegate per 30 members or major part thereof to a maximum of five voting delegates. Societies who are delinquent in renewing membership dues for the fiscal year immediately preceding the annual meeting will forfeit voting privileges.

5.2.2: Other member organizations shall have one voting delegate in each case. Membership dues must be paid as per 5.2.1.

5.2.3: Directors and officers of the association and Life Members shall have a Vote.

5.2.4: Proxy votes shall not be allowed.

At the annual meeting we share **Society Reports**. The reports are read aloud by a delegate from the club. The intent of the report is to highlight events and activities that the individual club hosts throughout the year. The SHA requests that all Societies remit their report prior to the annual meeting regardless of whether you are sending delegates to attend. The president report and any other committee reports should also be sent prior to the meeting. Please email reports **by September 15th** in pdf or Word Document format to SHA secretary, Bernadette Vangool.

Important Reminder: Since we do not have a member Society sponsoring this event, all delegates are strongly encouraged to donate items to the Silent Auction. These items can be new or gently used. Please indicate if the item is to be attributed to a club or individual.
